## JDRF Annual Silicon Valley Summit

### Current Business Trends and Research Developments in Regenerative Medicine

Please join us for a ground-breaking summit on regenerative medicine and stem cell research brought to you by JDRF in association with the Stanford School of Medicine.

**Dr. Irving Weissman**, Director of the Stanford Stem Cell Biology and Regenerative Medicine Institute, and **Dr. Alan Lewis**, President and CEO of JDRF will cover the current landscape of stem cell research and its impact on the future of regenerative medicine. We welcome you to join us for the “not to be missed event of 2009!”

**Wednesday, October 7, 2009**

**Registration:**

**11:00 a.m.**

Rosewood Sand Hill Hotel  
2825 Sand Hill Road  
Menlo Park, California 94025
